

Participant Disclosure

Willamette Neighborhood Housing Services (WNHS) is a community development corporation. WNHS offers many affordable housing products including: affordable rental housing, housing rehabilitation loans, housing development and property sales, and housing counseling services.

WNHS provides home buyer education, prepurchase and foreclosure prevention counseling services, as well as mortgage financing. I understand that the housing counseling services provided at WNHS do not direct or restrict me to a particular lender, Realtor, insurance agent, housing industry professional or particular loan product. I understand that WNHS encourages me to choose the options that meets my needs and is in my best interest.

I understand that I am under no obligation to utilize any of WNHS services or loan mortgage financing products. I further understand I am not obligated to use any services from WNHS partners, and I am free to seek services from other providers.
